

## DAY FAT QUARTER CHALLENGE

The challenge is; using only the fat quarters won in a particular draw

We will start sign up at the March meeting 2012.

To participate, the guild member must win a fat quarter bundle **from July 2011 to June 2012**. More than one entry per member will be acceptable, providing the fat quarters are won in the Fat Quarter Draw. There will be a sign up fee of \$2.00 per entry, going towards the prize awarded for the best entry determined by a membership vote.

1. **Six to eight fat quarters** to be used, they must be the fabrics won in the raffle, **no substitutes allowed**.
2. In addition to the fat quarters, a background fabric, a border fabric, and a binding fabric of choice, is permitted.
3. Quilts should be pieced, or pieced and appliqued; interpreting the colours and or pattern, and if possible the theme for that particular month.
4. Each entry to be labeled on the back with members name and theme.
5. The entries are to be completed and ready for a mini show at the October 24, 2012 meeting

For easy sign up we have given each theme a number.
