

February Block of the Month

BROKEN DISHES

Fabric Choices: “Country “ fabrics. This style of fabric will work best as they tend to “blend” (they don’t use pure or bright colors). It would also be best to avoid extreme contrast, so stay away from light/lights and dark/darks.

Fabric 1: Medium/dark tone-on-tone

Fabric 2: Medium/light patterned fabric

Cut 2 x 4” squares of each fabric
Cut each square in half diagonally

Pair one light and one dark triangle. Sew together along the bias edge (the longest side) being careful not to pull as the bias edge is very stretchy. Press open.

Trim each square to 3 ½ “.

Arrange squares as shown and sew together.
