

November Block

Crazy Quilt Block

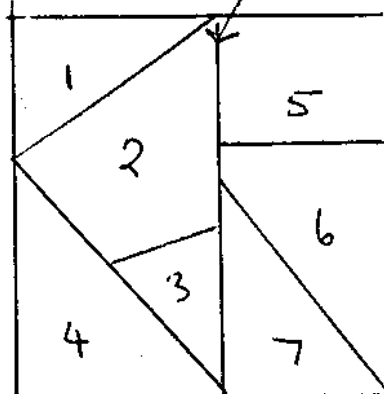

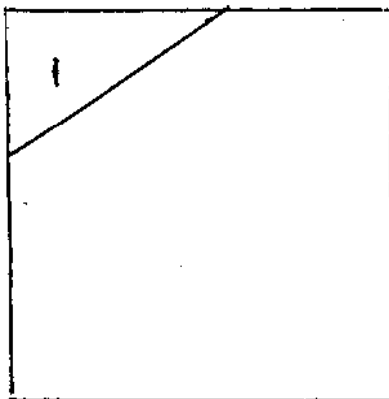

Unfinished block 12½"

Cut 1 12½" Muslin square

Fabric – scraps of red and green fabric

1. Place a piece of fabric (red or green) right side up on muslin. You can pin or baste in place.
2. Lay a second piece of fabric on 1st piece, right sides together. Sew together with ¼" seam and fold down, press.
3. Continue placing a piece of fabric over previous piece, stitch and press down. Fabric may overlap muslin, will be trimmed later.
4. If an edge or corner is odd to piece you may fold raw edge under and slip stitch edge.
5. When all the muslin is covered, press block and turn over and trim all fabric even with muslin background.
6. To finish block zigzag stitch on seam lines with red or green thread or any decorative stitch you wish.
