**BUILD A SNOWPERSON APPLIQUE BLOCK**

Unfinished Block Size: 8 1/2" X 10 1/2"

Cut a medium blue background 8 1/2 x 10 1/2 inches.

For the snow and snowperson, use cotton fabric or warm and natural or batting. Use a second layer if you find the fabric or batting too "see through".

Using your favourite appliqué method - attach snow to the background fabric.

Make sure the snow fabric is even with the bottom edge of the block.

Then attach the snowperson - again, using a favourite appliqué method.

Using a combination of your own creativity and design, bring forth the snowperson in you.

Patterns do not include seam allowances.
