Scrappy Broken Dishes Block
Unfinished size: 8 1/2 "

This month we are using a Traditional Block with a scrappy look.
For each block you will use four contrasting squares.

You will need 2 medium to dark colors and 2 light colors.
From each of the 4 colors cut 1 – 5 inch block.

You will need four diagonal half squares for this block.

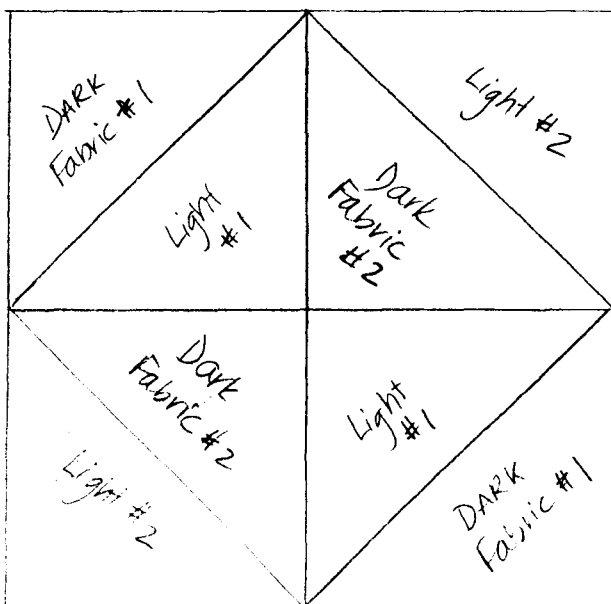

Method:

First, place a light square on dark square – right sides together.

Next, mark the light square diagonally through the center. (This will be a cutting line when you are finished.) Sew on either side of the drawn line, exactly 1/4 inch from the first line. Cut this square in half on the cutting line. Press and trim to 4 1/2". You will now have two diagonal half-squares. Repeat for the other 2 squares.

Sew together as shown.
