

# WATERWHEEL STAR

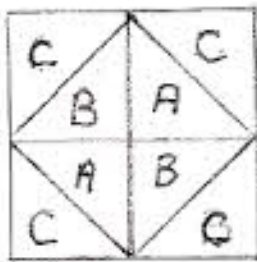

Cut from Colour A (background): 4 - 4 1/2" squares  
8 - 2 1/2" squares  
1 - 3" square

Cut from Colour B: 4 - 2 1/2" x 4 1/2" rectangles  
1 - 3" square

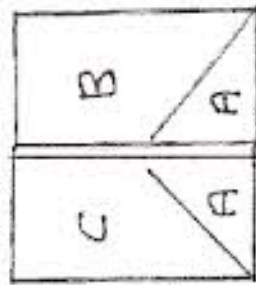

Cut from Colour C: 4 - 2 1/2" x 4 1/2" rectangles  
2 - 3" squares

Sewing Instructions: (Refer to diagram for each step)

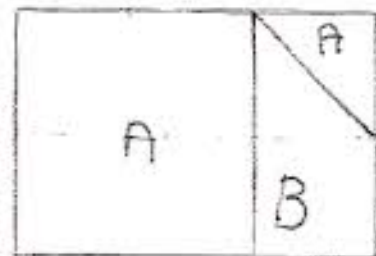

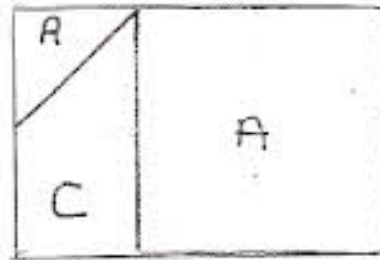

1. Place colour A 3" square together with colour <sup>C</sup> 3" square, draw line down center, sew 1/4" on either side of the line, cut down the drawn line, iron and trim to 2 1/2" square. Do the same with colour C 3" square and colour B 3" square. Sew together to form a 4 1/2" square.
2. Sew 2 1/2" squares to 4 1/2" x 2 1/2" rectangles by sewing down the diagonal, cut away the excess of the square, flip over and iron. (It is helpful if you lay out your rectangles and squares according to the diagram. This will help in sewing them in the right direction.)
3. Sew the four colour A 4 1/2" squares to two colour B units and two colour C units made in Step 2. These units will measure 4 1/2" x 6 1/2".
4. Sew colour B units made in step 3 to colour C units made in step 3. These units will measure 4 1/2" x 12 1/2".
5. Sew the remaining colour B units to colour C units. They will measure 4 1/2" square.
6. Sew a unit from step 5 to each side of the unit made in Step 1. This unit will measure 4 1/2" x 12 1/2".
7. Sew units from step 4 to each side of unit made in step 6.
