

LQG Evening Fabric Draw & Swap for 2011/2012

Do you want or need more fabric? Of course you do! Please consider participating in our monthly exchange/draw. To add variety, there will be different sized fabrics some months instead of our usual Fat Quarters. In addition, draws will be alternated with swaps. With ***draws**, there is one winner of all the pieces. (Your chances of winning increases the more you bring in.) With ***swaps**, you receive the same number of pieces that you contribute.

TIPS:

1. Print out 2 copies of this list. Leave a copy next to your stash and take a copy with you when you go shopping.
2. Put the fabrics in a Ziploc bag and place it in your "guild bag". That way you'll be sure to have a collection of fabrics to bring each month!

Join the fun!!
