SPECIAL PROJECTS
Due for February meeting

“Self Portrait”

The first time I saw the “Quilt Diva” quilt I immediately thought of my mother-in-law Lilly. I just found it a fun quilt, and she was so much fun and always saw the funny side of life. She loved to be the Diva of the family.

Then I was an article of a self portrait quilt and it is just crying out to be a special project. So ladies, look at the Quilt Diva pattern and look in the mirror and what do you see.

Maybe you see:

Dolly Parton - hooters and all
Sue Ellen complete with hair
Joan Collins with shoulder pads

Or maybe
Tina Turner.

Quilt to be completed for the February Meeting.

Quilts must be at least 24” x 36” or bigger. Any technique can be used and any type of embellishment may also be used.

We will have a mini showing with 2 draws for entries.

- (1) Ballot drawing for members choice
- (2) All names will be entered for a draw.

Let your imagination run wild and have fun.

Instructions on how to bring your quilt to showing will be given later.
